4 6/ From the Sanitary Commissioner, no 2036 dt 13.11.11. Submits the information called for in Sl. No 2. The Sanitary Commr supports the Shimoga Municipality recommendation that the disinfecting and 2 warders at a total cost of Rs 29/- per mensem should be retained permanently as it would be difficult to get suitable persons at short notice. As the establishment is generally entertained sufficiently long after the first appearance of plague and as the

Staff for enlistment work under the directions of the experienced officers, the difficulty complained of is not so serious as it is represented to be. Besides all plague establishments in the districts are temporary and the Municipalities of districts have been authorised to entertain in anticipation of sanction certain temporary staff for each block for the suppression of plague (vide Govt. proc. No. 1126-36 Sanc 37-06 dated 1.8.06)

7 In the Ranpur city the Sanitary Commr recommends that the 2 day duty constables employed in the plague Hospital, Ranpur, may be dispensed with, and the other two men for night watch in the plague Hospital being retained. The period for which such a retention is necessary is not stated. If the men are to be retained permanently, they have to be recruited from the regular police staff.

8 As regards the plague supervisors employed on Rs 30 per mensem in the Municipalities, the Dy Commr Hussainabad states that he cannot dispense with the services of the frontier plague supervisors in question unless Govt sanction the abolition of the frontier observation duty altogether as he it is impossible for even a qualified Sanitary Inspector to discharge the duty of a Sanitary Inspector, work Inspector & frontier plague supervisor. The Sanitary Commr states

General and Revenue Departments,
B a n g a l o r e .

S ir,

With reference to your No. 1052 Sany. 160-10-2 dated the 1st August 1911, I have the honor to state as follows:-

The Deputy Commissioner of the Shimoga District is of opinion that the disinfection maistri and the 2 warders should be kept on permanently as it would be difficult to get suitable persons at short notice, if appointments were sanctioned for specified temporary periods. I concur with the Deputy Commissioner in his opinion. Plague Hospitals are filled up by fits and starts, so that while at one time the staff is overworked, at another it is practically idle. But this does not justify that during the period in which there is no work the staff should be dispensed with. The work is difficult and dangerous, so that to get a staff that would be efficient when the epidemic season began would be almost impossible.

2. As regards the police establishment maintained

Despatched.

General No. 2036

Enclosure No. /.

Regarding certain plague establishments in the Shimoga, Mysore and Hassan Districts.

maintained for plague duty in the Mysore city the situation of the Isolation Hospital demands the employment of constables to guard property. The 2 day duty constables may however be dispensed with, the other two men being retained for night watch.

3. As to the replacement of the plague supervisor employed for the Maranahalli frontier circle by a duly qualified Sanitary Inspector I enclose copies of correspondence ending with letter No. 432 Mis. of the 31st Ultimo from the President, District Fund Board, Hassan, for the information and orders of Government. The duties in connection with the frontier supervision circles in all the other districts are being attended to by Sanitary Inspectors as part of their legitimate work; and there seems no reason why an arrangement that has been working satisfactorily in the other Districts should be difficult of adoption in the Hassan District.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Sanitary Commissioner.

P.H.

Letter No. 710 dated 7-8-1911 from the Sanitary Commissioner to the Deputy Commissioner, Hassan District.

Adverting to Government Proceedings No. 675-86 Sany. 24-04-4 dated the 13th July 1905 directing the appointment of qualified Sanitary Inspectors in place of plague supervisors with as little delay as possible, I have the honor to request the favor of being informed as to the steps taken to give effect to the order seeing that there is a plague supervisor for the Maranahalli frontier circle.

Letter No. 182 dated 11-8-1911 from the Deputy Commissioner, Hassan District to the Sanitary Commissioner

---

With reference to your letter No. 710 dated the 5th/7th Instant requesting to be informed as to the steps taken to appoint a qualified Sanitary Inspector in place of a plague supervisor employed for the Marnahalli frontier circle, I have the honor to state that a Sanitary Inspector for Manjarabad Taluk can be appointed only when the financial condition of District Funds improve.

Letter No. 952 dated 24-8-1911 from the Sanitary Commissioner to the Deputy Commissioner, Hassan District.

In acknowledging receipt of your letter No. 182 dated the 11th Instant stating that a Sanitary Inspector for the Manjarabad Taluk can be appointed only when the financial condition of the District Funds improve, I have

have the honor to invite attention to the fact tjat in accordance with Government Order No. 2180-9 Sany. 3-05-3 dated the 30th August 1905 the pay of the Sanitary Inspectors employed in frontier circles is to be met from plague, District and Municipal Funds in the proportion of $\frac{1}{8}$, $\frac{1}{4}$ and $\frac{1}{4}$ respectively; so that the cost in such cases, so far as District and Municipal funds are concerned, is less than that of entertaining an Assistant Sanitary Inspector for the taluk. I would therefore recommend the replacement of the Plague Supervisor by a duly qualified Sanitary Inspector as soon as possible.

2. An early reply is requested.

Letter No. 432 Mis. dated 3-11-1911 from the Deputy Commr., Hassan District to the Sanitary Commissione

---

With reference to your No. 952 dated the 24th Aug. 1911 in the matter of the replacement of the Frontier Plague Supervisor employed in the Manjarabad Taluk, by a duly qualified Sanitary Inspector, I have the honor to state that when this subject was placed before the District Board at their meeting held on the 26th Sept. 1911, a resolution was passed to the effect that it is impossible for even a fully qualified Sanitary Inspector to discharge the duties of a Sanitary Inspector, Work Inspector and Frontier Plague Supervisor and that if sanction of Government be obtained to abolish the frontier observation duty altogether, it will be only then possible for a single Sanitary Inspector to discharge the first mentioned two duties, the present Work Inspector being then absorbed into some other establishment when vacancy renders that possible. Copy

Copy of the Board's resolution on the subject in here enclosed.

2. I would suggest that Government be moved to sanction the abolition of the South Canara Frontier Observation duty in Manjarabad Taluk.

The Sanitary Commr

Sir,

With reference to your letter no 2036 dated the 13th November 1911 regarding certain plague establishments in the Shimoga, Mysore and Hassan districts, I am directed to enquire whether any difficulty in securing proper gangmen and ward coolies when they are wanted is felt in

over.

other places than Shimoga, and why Shimoga should not manage in the same way as other places do, and also in case it is absolutely necessary to entertain trained men permanently, whether they cannot be entertained in the municipality or elsewhere, and drafted for plague duty whenever required, their permanent places being then temporarily filled by other men.

2. As regards guarding the Isolation Hospital at Mysore, I am to enquire whether this cannot be done on ordinary occasions with the staff sanctioned for the Hospital and for guarding the Health Camps.

3. I am also to invite your attention to the omission

From

P.S. Achyuta Rao Esq.,
Offg. *Sanitary Commissioner with the Government of H. H. the Maharajah of Mysore, BANGALORE.*

To

C.S. Balasundaram Iyer Esq., B.A.,
Secretary to the Government of His Highness the Maharajah of Mysore, General and Revenue Departments, BANGALORE.

SIR,

In reply to your letter No. 4115 Sany. 160-10-5 dated the 29th November 1911, I have the honor to state that the gangman and ward coolies at Shimoga may, as suggested be entertained in the Municipality or elsewhere and drafted for plague duty whenever required their permanent place being then temporarily filled by other men.

2. The staff sanctioned for the Isolation Hospita and Health camps at Mysore is inadequate and cannot therefore attend to the work of guarding the places as a part of their legitimate duties.

3. As regards the temporary establishment maintained in the Kolar Gold Fields, a copy of the Board's resolution is submitted for the information and orders of Government.

I have the honor to be,

GENERAL AND REVENUE SECRETARIAT.

(Continuation sheet draft form.)

2. The President of the Dt Board of Hassan is requested to replace the plague supervisor employed in the Manjarabad taluk by a duly qualified Sanitary Inspector.

3. As regards the establishment of 4 Police Constables maintained for plague duty in the Mysore City, the San Comr considers that the services of two constables may be dispensed with and that the remaining two constables may be retained for night watch in the Isolation Hospital. The San. Comr's recommendation is ap=proved.

4. As regards the temporary plague staff employed on the Kolar Gold Fields, it is necessary that the period for which their services may be required should be fixed. The San. Comr is therefore requested to state for what period their services will be

10

necessary & what portion of the establish-
-ment can be dispensed with.

5. The request of the Sanitary Board, Kolar Gold Fields, to empower the Board to re-entertain the requisite staff whenever necessary is sanc-
-tioned on the understanding that the number so entertained and their rates of pay shall not exceed the scale of establishment that is now being maintained as noted on the margin.

6. Separate orders will issue in the matter of a moiety of the charges in connection with the Plague prevent-
-ive measures being debited to the funds of the Kolar Gold Fields Sanitary Board.

XIII. Read letter No. 952 dated 24th. August 1911 from the Offg. Sanitary Commissioner in Mysore, recommending the re-placement of the Plague Supervisor employed in the Manja-rabad Taluk by a duly qualified Sanitary Inspector as, in accordance with Governmet order No. 2180-9-Sanity 3-05-03 dated 30th. August 1905 the pay of the Sanitary Inspectors employed in frontier Talks is to be met from the Plague, District, and Municipal Fnds in the proportions of $\frac{1}{2}$,$\frac{1}{4}$ and $\frac{1}{4}$ respectively

respectively.

Resolution:- Resolved that this Board are of opinion that it is impossible for even a fully qualified Sanitary Inspector to discharge the duties of a Sanitary Inspector, Work Inspector and Frontier Plague Supervisor, and if sanction be obtained ~~xxxxxxxxxxxx~~ to abolish the frontier observation duty altogether, it will be only then possible for a single Sanitary Inspector to discharge the first mentioned two duties, the present Work Inspector being then absorbed into some other establishment when vacancy renders that possible.

To

C.S. Balasundaram Iyer Esq., B.A.,
Secretary to the Government of
His Highness the Maharajah of Mysore,
General and Revenue Departments,
BANGALORE.

SIR,

With reference to Government Proceedings No. 5523-7 Sany. 160-10-7 dated the 8th February 1912, I have the honor to state that out of the plague staff employed in the Shimoga town the services of one Head Gangman were dispensed with from the middle of January last. The Deputy Commissioner reports that the two warders are in charge of the bedding, clothing and furniture of the plague hospital and that as the hospital is far away from the town their services cannot be dispensed with unless a care taker is appointed. Even if a care taker were employed the arrangement would not obviate the necessity of entertaining warders again should break out in the town. I therefore recommend the retention of the 2 warders as in the case of the Establishment specially maintained for the plague hospitals at Bangalore and Mysore and on the Kolar Gold Fields.

2. As regards the temporary staff employed on the Kolar Gold Fields the President, Sanitary Board reports
